SORAYA FOUNDATION

@sorayafoundation

OUR MISSION

Our main intention is to gather the island's tribes, for the good of the island. Identify the problems to fix them together, as a community, which will be beneficial for all of us in the end.

What is the local community's dream?

1. Education
2. Zero Waste Gili Air
3. No more plastic

Let's do it!

FUTURE ROADMAP

ASPIRATIONS

A common dream: A Zero Waste Gili Air

- Monitor and improve water, energy, and waste management
- Setup saving strategies
- Reduce CO2 emission and invite guests to join our movement
- Become zero waste (5% to landfills)

It's about progress, not perfection!

Let's change the world together,
one island at a time!
